GOALS OF TAL TAL DAY CAMP /SCHOOL

The goal of TAL TAL programs is to build a child's self esteem, encourage creativity, and assist in creating strong families and strong communities. Our camp programs reflect these values and are designed to help our campers grow mentally, physically, and spiritually within a fun, safe camp environment. Well-trained camp staff that lead the campers in challenging activities act as a catalyst for growth in your child.

The goals and principles of TAL TAL are firmly based on the specific program objectives from which our program operates. These principles are related to self and interactions with others. The specific principles of the day camp program are:

- . The achievement of personal growth in body, mind and spirit.
- . The formation and practice of socially constructive habits and attitudes.
- . The acquisition of knowledge about and the development of skills and interests in outdoor activities and in group settings with their peers.
- . The development of an appreciation of nature and a love of the outdoor environment.
- . The strengthening of social and family relationships through participation in the day camp program.

TAL TAL CHARACTER DEVELOPMENT

At TAL TAL, character development and values are a part of who we are. We reinforce the values that you teach at home. Our goal is to challenge the children and staff to believe in and act on these positive values.

Caring:

To be sensitive to the well being of others, to help others.

Honesty:

To tell the truth, to act in such a way that you are worthy of trust, to have integrity; to make sure your choices match your values.

Our Code of Conduct states that TAL TAL DAY CAMP is committed to providing a safe and welcoming environment for all of our members and guests. To ensure safety and comfort for all, we ask individuals to act appropriately while they are in our facility or participating in an event.

Our code of conduct does not permit language or action that can hurt or frighten another person or that falls below a

generally accepted standard of conduct. Specifically this includes:

- Angry or vulgar language including swearing, name calling, and shouting;

violation of our code of conduct. Please do not hesitate to notify a staff person if you need assistance. We want to help!

TAL TAL Management will investigate all reported incidents. Dismissal from a program or termination of TAL TAL

privileges may result from any violation of the code of conduct.

This year, and in future years, Tal Tal will host a MANDATORY workshop for all staff addressing the many areas of

inappropriate behaviors between staff and campers, including prevention and mandated reporting

responsibilities.

Behavioral Guidance

In order to promote your child's physical, intellectual, emotional, and social well being and growth, staff shall interact

with the child and one another to provide needed help, comfort, and support and:

EXPECTATIONS

Good behavior will be encouraged in a positive manner. The staff will work cooperatively with parents, keeping them

informed of behavior problems and methods used to teach and guide them toward socially acceptable behavior. If

your child has been receiving assistance in behavior management during the school year, it is imperative that this

information be shared with the camp Director. This will enable us to work more effectively and productively with your

child.

EVALUATIONS

TAL TAL DAY CAMP is always looking for feedback from the parents to further improve our camp program. We will be

sending you a customer satisfaction survey at the end of the summer. Parental assessment of the camp's strengths and

weaknesses will aid in the improvement of camp programs and in the facilitation of new ideas. Parents are invited to

give regular assessments of the camp program to the director at any time.

LOST AND FOUND

We do have a lost and found area for each division. It is highly recommended that you label all clothing with your child's

name. While we make every effort to keep all campers' belongings in their backpack or on their person, TAL TAL will not

be held responsible for lost or stolen items. At the end of each week, we will display the found items, and then take any

remaining items to Goodwill at the end of the summer.

*** Please notify us right away when there is a new work or home phone number, or if you have moved and have a new address. If your child is sick or injured, it is important for us to be able to contact you right away. Please keep these accurate at all times.

Allergies

In recent years, there has been an increase in the number of children with severe allergies to peanut products and other things in our camps. We try our best to accommodate these campers without inconveniencing other campers. If you're aware that your child is severely allergic to something, it is your responsibility to notify TAL TAL in advance so we may take proper precautions.

Bugs & Bees

At TAL TAL, we spray for bugs on a regular basis, typically on a Friday, after the camp day ends. To reduce the possibility of both bug bites and stings, a few simple precautions can be taken. Bugs and bees are attracted to patterns on clothing that resemble foliage outdoors. To reduce this attraction, wear solid, light colored shirts, shorts, or trousers.

Another major attraction occurs from "smell". Sweet smelling soaps and shampoos will attract both bees and bugs so try

to use unscented products when showering and bathing and avoid the use of perfumes.

Emergency Plan

Each camp site will have a site-specific emergency plan including an assembly area program, facility evacuation plan,

notification (sounding of alarms) system, shelter-in-place plan, locations of fire extinguishers and first aid kits, etc. Staff

has been trained and are expected to be well-versed in emergency procedures. Each session of summer camp will

include a fire drill so that campers are aware of what to do in an emergency.

Severe Inclement Weather:

In the case of severe inclement weather campers will meet at their designated camp area. All campers will remain in

their groups until the weather passes or the parents pick the camper up.

Parents: Please create an emergency plan to have your child picked up during emergency situations. Due to the number

of campers attending camp, TAL TAL will not call you to pick up your child unless the camp is canceled.
